

CAPABILITY STATEMENT OVERVIEW

United Logistics is a woman-owned transportation and logistics company providing reliable, compliant, and scalable freight solutions to government agencies, prime contractors, and private-sector clients.

Founded in 2020, we specialize in flatbed and dump truck hauling, freight dispatching, brokerage services, logistics consulting, and training/professional development focused on transportation, leadership, and business development.

With a strong commitment to safety, efficiency, and environmental responsibility, we offer tailored solutions for each customer. We deliver customized solutions designed to support infrastructure projects, construction operations, disaster recovery efforts, and commercial freight needs. We operate across the southern region including MS, AL, LA, AR, TN, GA.

DIFFERENTIATORS

- Commitment to Environmental Responsibility - Focused on eco-friendly waste disposal and debris removal solutions that meet or exceed regulatory requirements.
- Tailored Logistics Solutions - Customizable transportation and consulting services designed to meet the unique needs of both federal, state, and commercial clients.
- Strong Regional Presence - Deep familiarity with the Southcentral and Southeastern regions, providing local expertise and faster project execution.
- Small Business with Big Capabilities - Combines the flexibility and personalized service of a small business with the capacity to handle large-scale federal and commercial contracts.

CORE COMPETENCIES

- Reliable transport of oversized, heavy and time-sensitive equipment
- Reliable and efficient dump truck services for transporting and disposing of materials.
- Efficient and eco-friendly waste and debris removal services tailored to meet regulatory standards and client needs.
- Tailored consulting and dispatching solutions for federal and commercial projects

NAICS CODES

- 484110: General Freight Trucking
- 562998: Disaster Recovery Services
- 484220: Specialized Freight Trucking
- 562119: Dump Truck Waste Collection
